

## Worksheet: Collectivisation and Industrialisation

### Consolidation and analysis

In a decade the USSR became an industrial power — at a human cost measured in millions. This is the core content for Task 2.

**Q1.** State two reasons Stalin launched the Great Turn.

**Q2.** Explain the relationship between collectivisation and industrialisation.

  
  
  

**Q3.** Complete the achievements/costs balance sheet.

| Policy            | Achievements | Costs |
|-------------------|--------------|-------|
| Collectivisation  |              |       |
| Industrialisation |              |       |

**Q4.** Explain the economic changes that transformed the USSR between 1928 and 1941, and assess their impact on peasants and factory workers. (Task 2 practice.)
