

Biscuit's Basket — Support Version

Likely and unlikely

"Some things are likely, some are unlikely," says Ollie. "More of something in the basket makes it easier to pull out."

1. Write **likely** or **unlikely** for each.

a) The sun will come up tomorrow. _____

b) A dog will read a book today. _____

c) It will be dark tonight. _____

2. Biscuit's basket has many brown gumnuts and just one green one.

Four brown, one green.

Without looking, which colour are you more likely to pull out? _____

3. Pulling out the **green** gumnut is: (circle one) likely / unlikely

4. Pull a gumnut, look at the colour, then put it back. Do this 10 times and tally.

Colour	Tally
Brown	
Green	

5. Did you pull more brown or more green? _____
