

Ollie's Leaf Puzzles — Support Version

Simple patterns and missing numbers

"Look for what changes each step," says Ollie. "That's the rule."

1. Continue the pattern (add 2 each time): 2, 4, 6, _____, _____

2. Continue (add 5 each time): 5, 10, 15, _____, _____

3. Find the missing number. Use adding to check.

a) $10 + \square = 16$ $\square =$ _____ b) $\square + 5 = 12$ $\square =$ _____

4. What is the rule for 3, 6, 9, 12? Add _____ each time.
